## Hobbies

My hobbies include browsing the net for interesting facts and animals, working out at the gym and exercising (some times...) Also learning about interesting nutrition plans to keep my mind and body healthy to make my creating process as smooth as possible.

## Profile

My name is Romero, and I am a passionate digital artist with over 4 years of experience in freelancing. As of Feb 9, 2024, my dedication to my craft has only grown stronger, and I remain committed to pursuing my artistic calling."I exist to create" is my motto, and I am committed to pursuing my passion with unwavering dedication.

Moving forward, I am eager to expand my horizons and delve deeper into the world of 3D animation. With my unwavering determination and passion for the craft, I am confident that I can make a valuable contribution to any team. I humbly ask for the opportunity to showcase my talents and continue to grow as an artist with your organization.

## Employment History

### Sensus mapping team, NWC, Spanish Town

JULY 2017 – JULY 2019

A project initiated by NWC, which aimed to streamline the process of identifying and locating water meters for their customers. As part of the project, we utilized GPS mapping technology to improve the accuracy and efficiency of meter reading

### Digital illustrator, Design Sunset, Kingston
